Non-Lapsable Pool of Resources for North-East

4253. DR. ARUN KUMAR SARMA : Will the PRIME MINISTER be pleased to state :

(a) the amount accumulated in the Non-lapsable Pool of Resources for the North- East during the last three years; and

(b) the details of projects sanctioned from this pool, indicating amount released so far, amount utilized and target achieved ?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI ARUN SHOURIE) : (a) and (b) All Union Ministries/Departments (except those specifically exempted) are required to spend at least 10% of their Budget(s) on schemes/projects for the benefit of the North Eastern Region and Sikkim. In order to ensure that adequate Plan allocation is made for the North East (and Sikkim), Ministries/Departments have been advised to indicate a separate Head in their Demands for Grants for the purpose of making lump-sum provision (10% of Budget) for the North East and Sikkim. Shortfalls in meeting 10% norm for the North East (and Sikkim) are to be pooled in a Central Pool of Resources. An exercise to identify the availability of funds in the Central Pool has since been initiated.

Releases from the Pool are made in instalment(s) subject to utilisation of funds and progress made-both in financial and physical terms in respect of funds already released.

So far, an amount of Rs 951.07 crores has been released from the Non-Lapsable Central Pool of Resources for the various projects in the North-East and Sikkim. Details are given in the enclose statement I to IX
